***Examiner's Statement of Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: The prior art of record does not, alone or in combination, disclose at least one excitation source establishing at least one magnetic excitation field adapted to induce said magnetic field of said object, said at least one excitation source being oriented to cause said at least one excitation field to have a substantially zero mutual inductance with said gradiometer array.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***
